Take the E 462 from "Olomouc" to "Nový Jicín and Frýdek – Místek" as far as the "Ostrava/Príbor/Ostrava-Airport" (Street 58) exit. Leave the E 462 at this exit. Pass the turning to the left to "Ostrava".

Go straight through "Skotnice" to "Mošnov". According to a Behr-Sign turn to the left, carry on for about another 500 m and turn oncemore to the left. The Behr building is on your right side.
