Take the E 65 highway from Prague to Liberec as far as the "Mnichovo Hradiste/Mimon" exit. Leave the highway at this exit. Pass the turning to the right to "Mnichovo Hradiste" (town) and go straight ahead in the direction of "Mimon". Go over the bridge and turn right to "Mnichovo Hradiste". Then turn right again and carry on for about another 300 m. The building is on your left hand side.
